

Knowledge Alerts

This guide will show you how to keep up to date in the topics that are important to you. Create a daily, weekly or monthly personalised bulletin with the Knowledge Alerts current awareness service.

You will need an NHS OpenAthens account to view and personalise the Knowledge Alerts. If you don't already have one you can get one from <https://openathens.nice.org.uk/>. For guidance on how to register and use your account, see our Helpsheet No. 01b Creating, using and managing your NHS OpenAthens account for guidance on how to obtain one. All our helpsheets are available here www.knowledge-nhs.uk/faqs.

Click on the **Library icon**  on your Trust computer or go to www.knowledge-nw.nhs.uk from any device.

Click on the **Knowledge Alerts icon**.

You will then need to log in with your NHS OpenAthens account

Login using OpenAthens

Once logged in you will see this page with six categories: **Systematic & Evidence Reviews, Guidance/Tools, Reports, News, Data/Statistics** and **Training and Events**.

The following Knowledge articles are based on your preferences from 'My Account', if you wish to alter what you initially see here please update your Account.

Filter knowledge articles:

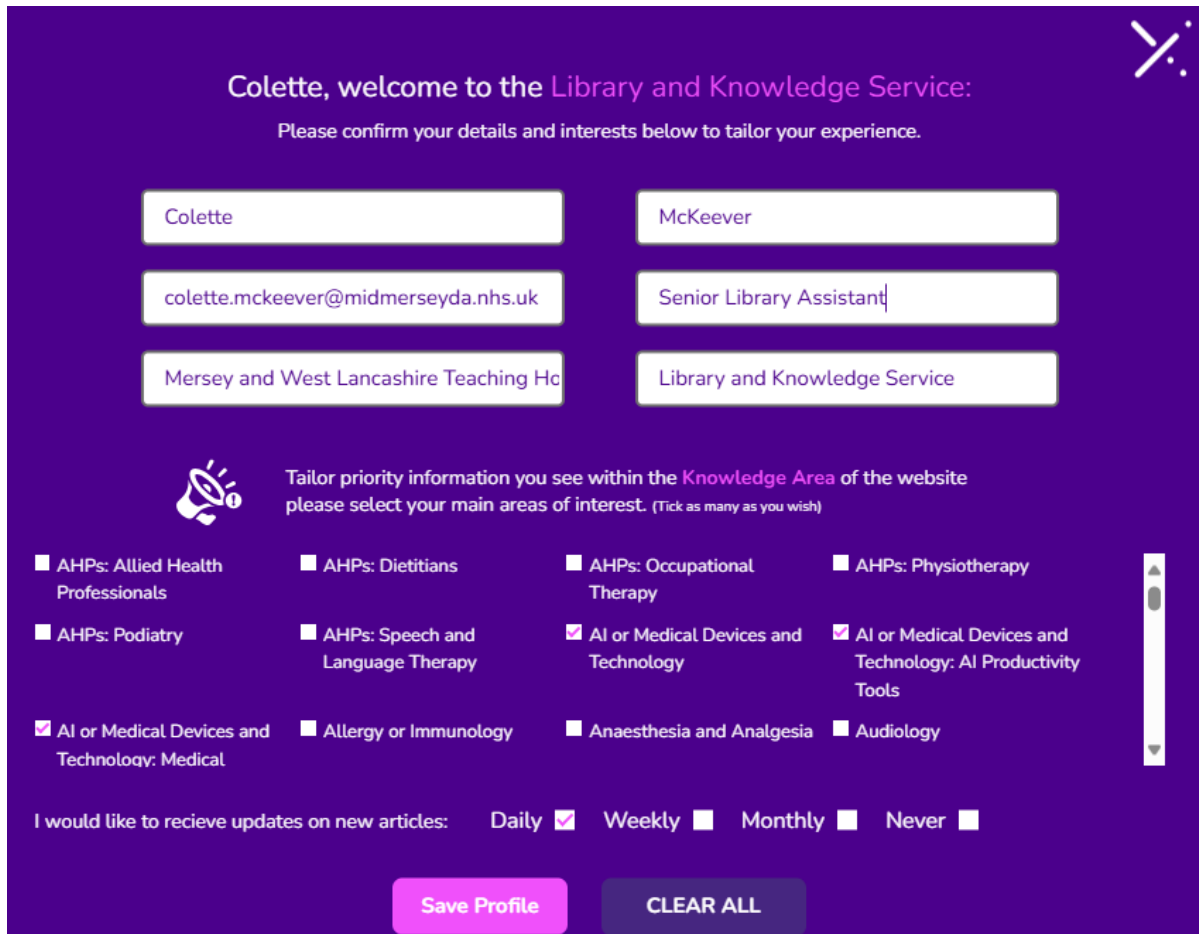

Systematic & Evidence Reviews	Guidance/Tools	Reports
<p>Cochrane Review: Continuous positive airway pressure versus methylxanthine for apnoea in preterm infants</p> <p>Authors' conclusions: From the single, small included study, performed more than 40 years ago, we are very uncertain whether there is any clinically meaningful difference in the effect of continuous positive airway pressure (CPAP) and theophylline on apnoea of prematurity. Both interventions, CPAP and theophylline, have largely been replaced by nasal...</p> <p>Topic Children and Young People Date Published: 24/07/2025</p> <p>Read More</p> <p>View all</p>	<p>NICE Quality Standard: QS100 Cardiovascular risk assessment and lipid modification [Updated 23 July 2025]</p> <p>23 July 2025: This quality standard was updated and statements prioritised in 2015 were replaced. The topic was identified for update following the annual review of quality standards. The review identified updated guidance on cardiovascular disease: risk assessment and reduction, including lipid modification. NICE Quality Standard: https://www.nice.org.uk/guidance/qs100.</p> <p>Topic Cardiovascular, Commissioning Date Published: 25/07/2025</p> <p>Read More</p> <p>View all</p>	<p>Publication: Mental Health Bill [HL] - Letter from Stephen Kinnock MP to MPs appointed to the Mental Health Bill Public Bill Committee: fourth day of debate</p> <p>Letter addressing points raised on the fourth day of the Committee Stage for the Mental Health Bill, on 19th June 2025.</p> <p>Topic Mental Health and Wellbeing, Health Services: Integrated Health and Care Date Published: 25/07/2025 SourceMental Health Bill</p> <p>Read More</p> <p>View all</p>
News	Data/Statistics	Training and Events
<p>Newsletter: The Health Creation Alliance - 24 July 2025</p> <p>Latest issue.</p>	<p>Official Statistics: Diagnostic imaging dataset for March 2025</p> <p>A central collection of detailed information about</p>	<p>Conference: The King's Fund Annual Conference 2025: Courage, Honesty and the Future</p>

You will initially see articles from all topics. To only see articles in the topic(s) that you are interested in you will need to **personalise** the page.

To personalise the **Knowledge Alerts** click on **Customise your account**. Complete your details and select your area(s) of interest.

Customise
