Notes

- This is a record of all articles by STHK staff that were indexed in medical databases during the period 1st April 2019 to 31st March 2020
- Articles were discovered by searching the PubMed, Medline, EMBASE, CINAHL, BNI, HMIC, PsycINFO, AMED, HBE and HMIC, or were reported directly to the Library and Knowledge Service by the author.
- To ensure your published articles are included in next year's statistics, please report them to the Library and Knowledge Service at: library@sthk.nhs.uk
